

## For the VIPs

Michelin-starred ON Dining Kitchen and Lounge is offering one couple the chance to be personally served by chef Philippe Orrico himself. Seated high above the city on a special rooftop table you'll get VIP service and incomparable views of bustling Central. In case you miss the chef's table, you can still enjoy a romantic and luxurious evening downstairs in the restaurant or lounge with dishes inspired by southern Europe and the Mediterranean including roasted Brittany scallops & squid with beetroot, piquillos, and smoke eel, or prime beef teriyaki with white Maitake mushroom and whipped potato.

On Dining Kitchen & Lounge's menus will be available on 14 February. Prices are HK\$3,888 for a private dinner with Chef Orrico, HK\$488 for a meal in the lounge, and HK\$788 for an evening in the restaurant.
